Introduction

The Governing Body of Enfield County School believes that schools are a valuable community resource. It is, therefore, committed to making every reasonable effort to ensure that the school premises (buildings and grounds) are available for the benefit of the local community. In keeping with the extended schools service agenda we will give priority to the use of premises for educational objectives.

The hiring of school premises at all times outside normal school hours is under the control of the Governing Body. The policy sets out the facilities available and the charges. Some of the responsibilities of the Governors and the users when the school premises are let are included but are set out in more detail in the Council's 'Conditions for the letting of Educational Premises'.

Lettings Policy

A letting is defined as the use of school premises during school hours, evenings, weekends and school holidays by parties other than the school. Our lettings policy will aim to:

- Ensure that the use of school premises and facilities is effectively co-ordinated and managed
- Promote the use of school premises by the wider community
- Give priority for established community providers of services for children, young people and disadvantaged adults
- Provide a clear statement of charges
- Ensure a range of activities for children and young people

Scale of Charges

Our charging policy will:

- Charge statutory and voluntary and community sector organisations at no more than cost (Community Rate)
- Charge commercial private organisations at cost plus an income margin for the school (Commercial Rate)

The Letting charges will be reviewed annually by the Governors.

Where a hirer has any particular complaints about the service or hire they should, in the first instance approach the Agency who will advise them on the procedure to be followed.

The Hire Agreement

The approval of a hire will be confirmed by School Hire and Functions Ltd in their invoice which will specify the premises being hired; the nature of the activity or activities taking place; the time and duration of hire; and the cost of the hire.

Permission for the letting to go ahead is subject to the hirer having the required liability insurance certificate, which the letting agent must authorise, and have sight of, prior to the letting going ahead. Also, the payment of the invoice must be undertaken prior to the letting taking place. Payment must be made to School Hire & Functions Ltd before use of any facilities.
