

Enfield County School

Mobile Phone and Electronic Media Device Policy – June 2018

We do not encourage students to bring mobile phones or electronic media devices into school. However, we do offer the facility of safe keeping in the school office. (Students can hand their phones or electronic media devices in and then collect from the office at the end of the day).

We strongly recommend that all students register their mobile devices with the NMPCU (National Mobile Phone Crime Unit). All that is needed is the IMEI number. To find out more please refer to www.nmpcu.police.uk.

Students are forbidden to have their mobile phones and electronic media devices visible or to use them at any time during the school day.

If a student is seen with a mobile phone or electronic media device then it will be confiscated for one week, clearly labelled and taken to the school office.
